

NEW

HORIZON MAX

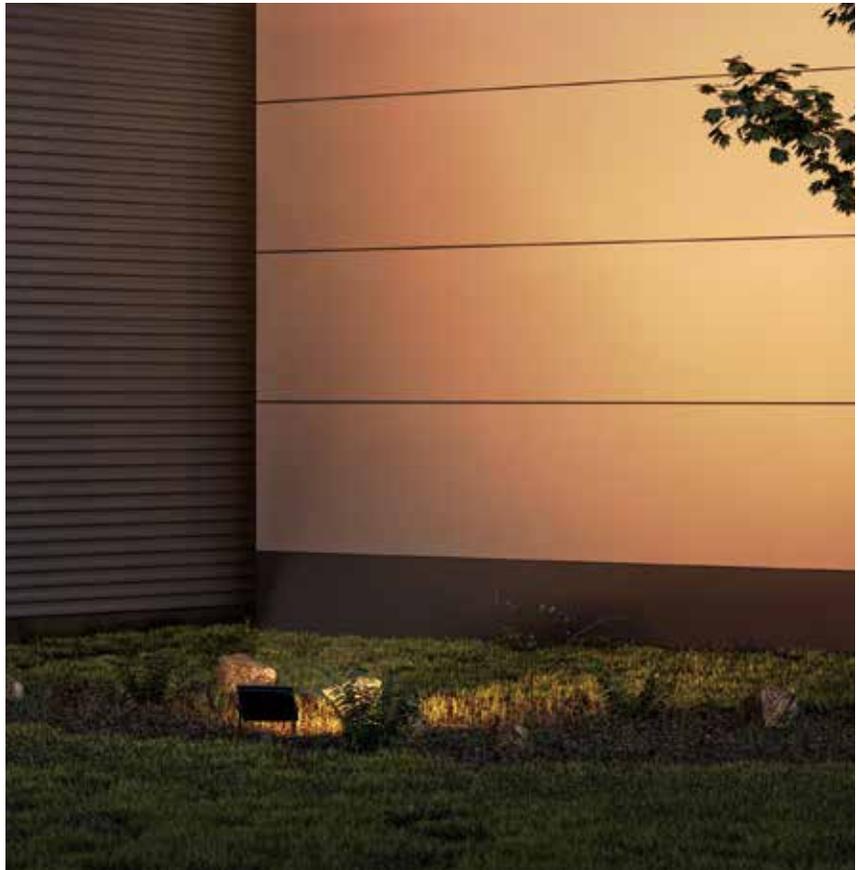

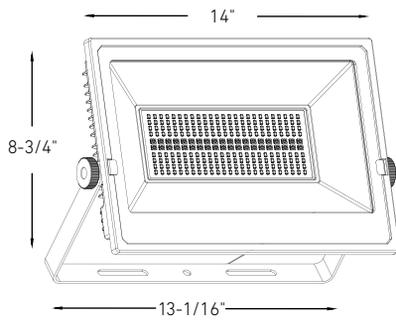

Horizon Max is the big brother to our original Horizon, delivering significantly higher lumen output while maintaining the same build quality and adjustability. Constructed from high-strength aluminum alloy, it features a wide 120° beam angle and can be wall-mounted or staked in the ground. The wall plug can also be cut for direct 120V hardwiring.

DCP-FLD100

Model	Size	Watts	Delivered lumens	CRI	Color °T	Voltage
DCP-FLD100	14"	100 W	9800 lm	80	RGB + 2200 K - 4000 K	120 V

DCP-FLD100

Specifications

Full color spectrum
2200K - 4000K in pure whites
Can be wall mounted
120° beam angle
UL 153 Convertible (plug-in or hardwired installation)
